

Automatic Concrete Block Production Plant

ONYX **ANECO**

OUR COMPANY

Shree Dhan Industries LLP is involved in the manufacturing, designing and development of Fully Automatic Concrete Block Plants, Concrete Batching Plants (under the brand name ONYX), other Concrete Products and Asphalt Equipment. The company has years of experience in heavy engineering thanks to the state of the art manufacturing facility located in Dholasan Village near Mehsana, Gujarat.

Eco Green Tech Solutions is associated with the manufacturing and supplying of Heavy Duty Hydraulic Presses and Fully Automatic Plants to manufacture Fly Ash Bricks. ANECO is a trusted brand amongst all in this field. ANECO's office is located in Ahmedabad, Gujarat and works in Mehsana, Gujarat.

Shree Dhan Industries LLP (ONYX) & Eco Green Tech Solutions (ANECO) have come together in a Joint Venture under the brand ONYX ANECO to manufacture and supply Automatic Concrete Block Plants and other concrete related products. ONYX ANECO provides world leading technology for the production of premium quality Concrete Blocks & Pavers & for Fly Ash utilization by manufacturing Fly Ash Brick Plant by using own fully equipped integrated manufacturing processes & expert technical Team and promoting Green Technology initiatives with advance building materials. ONYX ANECO also offers Turnkey Projects for Fly Ash Bricks, Concrete Blocks/ Paving Blocks with complete Automation.

TECHNICAL SPECIFICATIONS

CBM 15V	PALLET SIZE : 860 x 680 MM					
PRODUCT	SIZE / MM	FACE MIX	STROKE / MIN	PCS / STROKE	PRODUCTION / HR	PRODUCTION / 8HRS
BRICK	230 X 110 X 75		4	15	3600	28800
BRICK (W/O FROG)	230 X 110 X 75		4	21	5040	40320
PAVER	200 X 100 X 60	WITHOUT	4	15	3600	28800

SALIENT FEATURES

- ◆ Block Plant with Sturdy & Robust Structure
- ◆ Synchronized and Balanced Ultra Vibration System
- ◆ Electrical & Hydraulic Vibrators
- ◆ One Piece Hardened Die Set
- ◆ Control Panel with HMI system
- ◆ Planetary Mixer for fast and homogeneous mixing
- ◆ Face Mix Colour Feeding System
- ◆ Automatic Stacker System
- ◆ Raw Material Handling, Weighing & Batching System

FULLY AUTOMATIC CONCRETE BLOCK PLANT
